Hi Gerald,

My name is Kristin Fukushima, and I am with the Little Tokyo Community Council. I'm hoping that we can meet with you and Councilmember Cedillo on the upcoming PLUM agenda item, Parker Center.

I realize that many groups have been inputting on this topic, and I want to make sure that the Little Tokyo community - a community that has historically been impacted by this site and building, and continues to be the most impacted by any plans on this site - is able to equally articulate why our community does not support preservation on the building but rather supports the demolition of this building.

I understand that PLUM will be hearing the HCM nomination in a couple weeks - it would be great to find time to speak with you and the Councilman as soon as possible.

Please let me know!

Thanks,  
Kristin

Hello Kristin,

Thanks for reaching out to our office. It will be difficult to meet with the Council Member given his packed schedule but I do staff the PLUM Committee and would be happy to connect prior to this matter coming before the Committee. Yes we should connect.

Hi Gerald,

Yes, understandable. Maybe we can do a quick coffee sometime this week? I have tomorrow mostly free, and Wednesday morning free. Let me know, thanks!

Best,  
Kristin

Hi Gerald,

Thanks again for the impromptu meeting the other day. I assume we don't need to still meet on Monday, but let me know if you want to talk further on the issue - I can be better prepared this time knowing ahead of time we'll be talking :)

Thanks!!
